XII. The expense of providing the proper Stamp whereon to write any Receipt shall, unless it be otherwise agreed on by the parties, be borne by the party giving the Receipt.

XIII. XIV. Every provision contained in the Schedules annexed to this Act shall be of the same force as if it were contained in the body of the Act. Provided that the Governor General in Council may by an Order in Council exempt in any part of India from Stamp duty the Instruments or Writings specified in Schedule B annexed to this Act. Provided also that the Governor General in Council may by an Order in Council direct that in any District not subject to the General Regulations lower rates of Stamp duty shall be taken on all or any of the Instruments and Writings specified in Schedule A annexed to this Act except Bills of Exchange or other Instruments classed as Bills of Exchange and Receipts, and may prescribe such lower rates of duty.

"We consider it objectionable in principle to grant allowances appointed as the remuneration for actual service and to meet expenses necessarily attendant thereon, to an Officer in retirement. In the case, however, of individuals displaced by the abolition or the consolidation with others of the Offices they held, we shall not object to the continuance to the Officer while he remains entirely unemployed of such portion of his former Salary as the circumstances of his case may appear to you to justify to an extent not exceeding two-thirds of its amount. The earliest opportunity must be embraced of appointing such Officer to a permanent situation. On succeeding to it the allowance now authorized will cease, but if the emolument of the new appointment be inferior to that of the office previously held, you are at liberty to grant, if you think fit, the difference between the salaries of the two situations or any portion of it as an extraordinary allowance."

Transmit, in continuation of Despatch, dated 20th December 1858, No. 30, copy of an Office Memo., requesting further information in regard to privilege leave to Military Officers in Civil employ.

PARA. 7. As stated in paragraph 8 of my Despatch in this Department, dated the 21st April 1859, No. 33, you had rightly decided that the admission of Military Officers holding Civil appointments, to "the indulgence of three months' cumulative leave after thirty-three months' continuous service," had reference only to the period for which leave might be granted, and not to the allowances of the absentee. This rule must be adhered to.

8. The full period of three months' absence may, however, count as service for Pension, but if an extension of leave be applied for by a Military Officer, who has taken privilege leave, and the

Civil Rules, it must be subject to the Military Rules in regard to reduction of salary after the first two months' absence.

1. In reference to the Despatch now under reply, I have re-considered in Council the previous correspondence on the subject of inconveniences which have arisen from the operation of that part of the measure ordered by the late Court of Directors, for altering the organization of the Artillery and Engineer Corps, by which the Commissions of the Majors of those Regiments, who were made Lieutenant-Colonels as well as those of existing Lieutenant-Colonels were antedated to the dates respectively on which they originally became Majors.

2. By my Despatch No. 97, dated 24th March 1859, you were informed that the special consideration of the adjustment of rank in the Artillery and Engineer Corps would be deferred until the full effects of the application to Her Majesty's Indian Forces of the Royal Warrant of the 14th October 1858, shall have been reported.

3. In consideration, however, of your further communications on this subject and of your strong\* recommendation coinciding with that of His Excellency the Commander-in-Chief, that a remedy should be provided for these inconveniences and for the general supercession of Officers of Cavalry and Infantry of the three Presidencies, which has been occasioned by the antedating of the Commissions of Majors and Lieutenant-Colonels, when introducing the recent changes

in the organization of the Artillery and Engineer Corps, Her Majesty's Government have determined to cancel the back rank given, under the orders of the late Court of Directors, dated 8th July 1858, No. 183, to the Lieutenant-Colonels of Artillery and Engineers of the three Presidencies, and to the Lieutenants of those Corps, respectively, and to direct that, following the rule which was adopted when the rank of Major was abolished in the Royal Artillery, their promotion shall take effect only from the date of the new organization coming into operation.

4. You are accordingly authorized to carry this decision into immediate effect.

With reference to the authority conveyed in the above communication, His Excellency the Governor General in Council is pleased to declare that the rank assigned to the several Lieutenant-Colonels, and Lieutenants of Artillery and Engineers at the three Presidencies, under the operation of the Government General Order No. 1238, of the 27th August 1858, shall be considered as cancelled, and that the Commissions of the several Lieutenant-Colonels and Lieutenants promoted in consequence of the abolition of the grades of Major and 2nd Lieutenant, shall bear date the 27th August 1858.

No. 1071 of 1859.—With reference to the foregoing, the following promotions and alteration of Rank are made :—

I beg to recommend that the mention made of Subadar Hubeeb Khan, of the 5th Punjaub Rifles, should be brought to favorable consideration.

TO MAJOR M. DILLON,

*Camp Bunhonee, Trans Raptée,*

*The 15th June 1859.*

SIR,

IN obedience to the instructions of Colonel Holdich, C. B., Commanding Trans Gogra, dated the 11th instant, directing me to expel from the British

Territory, a body of Rebels believed to be near Musha, I marched on the night of the 12th instant, from Sidonia Ghaut

2 Troops 1st Punjaub Cavalry.  
4 Companies 5th Punjaub Rifles.

Troops as per margin, and was there joined by Captain Cleveland, Commanding a Field Detachment at Bhinga, with a portion of his Force as per margin.

2. The body of Rebels against whom I was to operate proved to be eighteen or twenty miles East of Musha in the neighbourhood of the "Khungra-ka-Naka", as it is called, a well known Pass through the first range of hills into the Deokurk Valley (Nepaul.) Accordingly I marched on the night of the 13th June to Bunhonee, late a Police post, fourteen miles, and leaving the baggage at that village made the following arrangements consequent on information there received.

3. Captain Cleveland, with three Companies Moradabad Levy, and 50 men of Hodson's Horse, was directed to attack the Rajah of Akonah, who was encamped with 200 Followers at Peeprah on the edge of the forest at foot of the hills three miles North of Bunhonee whilst I with the remainder of the force should attack the main body of Rebels, under one Purgun Sing, at the village of Bunkutta, where the Khungra-ka-Naka, which it is to be understood is the bed of a hill torrent dry, except after heavy rain, emerges from the forest.

4. A separate Report of Captain Cleveland's proceedings which were very satisfactory, is annexed.

5. The Force under my personal command got under cover of the forest at the foot of the hills about four miles North-East of Bunhonee, and here I left the Cavalry with orders to halt, until I should open fire, and then press on by the best road they could find to Bunkutta. With the Infantry, and 20 men 1st Punjaub Cavalry. I marched under cover of the forest and parallel to the hills in view to cut off the Rebels from their retreat to Deokurk and fall upon their rear; but their picquets had seen us before we entered the forest, and thus my intentions were to a certain extent frustrated, the main body of the Rebels being in retreat, covered by a strong rear guard, when we reached their encampment. The Punjab Rifles, however, supported by the Moradabad Levy and the party of the 1st Punjaub Cavalry followed the Rebels with the greatest spirit, and inflicted considerable loss upon them, driving them in confusion through the Pass for upwards of four miles. The pursuit never slackened for a moment whilst the Rebels held together in a body, and when they broke and dispersed in the dense forest, they were followed in all directions by small parties of the Punjab Rifles and Moradabad Levy, some of which did not rejoin for many hours afterwards.

6. I make no attempt to estimate the number of Rebels slain, the immense extent of ground gone over by the Troops in pursuit, the dense jungle, and the ravines with which it was intersected making any thing like accuracy impossible.

7. The Troops rested for a few hours in the standing Camp, constructed by the Rebels at Bunkutta, previous to burning it, and then marched back to Bunhonee six miles.

8. The exertions made by the Troops of both arms have been most meritorious, and I trust they will meet with the approbation of superior authority. The Punjab Rifles marched upwards of sixty miles between the evening of the 12th and noon of the 14th instant, besides pursuing the enemy for some miles at the double.

9. I wish to bring to particular notice the gallant and daring conduct of Subadar Hubeeb Khan, of the 5th Punjaub Rifles, who was ever foremost in the pursuit, and was several times engaged hand to hand.

I consider him most deserving of the 3rd Class of the Order of Merit.

10. Captain Cleveland, 98th Regiment, who conducted the separate attack upon the Rajah of Akonah's party rendered valuable service, and I have to thank him for the cordial assistance I have received from him during the present service. My thanks are also due to Lieutenant Grey and Ensign Gill, who directed the Punjaub Rifles and Moradabad Levy, respectively, in the attack under my personal command.

11. I am not aware of any Rebels being now in the British Territory between Serdonia Ghaut and Toolsepore, and I therefore trust that the service

entrusted to me will be considered to have been satisfactorily carried out.

12. I enclose a Casualty Return.

Camp Bunhonnee, 12 Koss N. E. of Binga,  
The 15th June 1859. •

SIR,

AGREEABLY with your instructions I proceeded yesterday in command of a Detachment, strength as per margin, from the village of Chowdree Dea towards Tipra, bearing due North of it, where Moona Sing, the Rajah of Akonah, with 200 Tilungas were reported to be hutted, and living in comfort. I made a circuitous route through the jungle, avoiding the foot path leading to the enemy's position, with a view of driving it Eastward towards your Force, according to arrangements.

50 Cavalry, 3rd Hodson's Horse.  
130 Rank and File, Moradabad Levy.

Soon after penetrating the jungle, which was nothing more than brushwood, the enemy's picket, Infantry, was discovered at a distance off, and a party of Cavalry galloped to the front in full hopes of cutting it off, when unfortunately it was pulled up by a deep ravine, the other side of which the enemy's picket had been posted.

On moving on to Pipree to the enemy's encampment, I found it deserted; and it was evident from a quantity of things, arms, accoutrements, and large supplies of rice and flour strewn about on the ground that he had been alarmed and had taken a hasty departure. On being assured by a herdsman that the Rajah had gone Westward, I pressed on the Cavalry, who however could make no way, owing to the dense part of the jungle and a serpentine ravine impeding progress; while the enemy, concealed, opened fire upon them.

I brought up my Infantry in front and driving everything before it, accounted for all stragglers. The enemy's fire soon ceased and pressing onwards, we came across arms, accoutrements, and brass utensils

that had been flung away; and continuing for five miles, we captured the Rajah's Horse, Palanquin and two Camels heavily laden with all his property, consisting of shawls, muslins, clothing apparel and cooking utensils. The enemy having been entirely dispersed, and the track of the Elephant having been lost, I collected my Force and retired through the jungle making for Pipree. On destroying the enemy's huts as well as every thing found thereabout, and a Tiger fastened by a chain near the Rajah's dwelling, I moved off and reached Camp at 1-30 P. M.

The enemy's loss was about fifteen men, and it would have been certainly greater, but for the dense jungle and the knowledge of it, which particularly favored it, I am happy to say I had only one Horse wounded.

In conclusion, I have the gratification of bestowing much credit due to the Infantry and Cavalry, and I would make known the length of time they were under arms, thirteen hours, during which time they could not have gone less than thirty miles.

I have, &c.,

No. 1093 of 1859.—His Excellency the Governor General in Council is pleased to direct the publication of the following Report from Lieutenant R. D. Osborn, of the 2nd Sikh Cavalry, of an engagement with the Rebels under Dowlut Sing, in the village of Indhoorkhee at Lphar, on the 27th June 1859:—

No. 850.  
FROM MAJOR W. P. HAMPTON,  
*Commanding at Calpee,*  
TO THE DEPT. ASST. ADJUTANT GENERAL,  
*Cawnpore Division.*  
*Calpee, 1st July 1859.*

SIR,

I HAVE the honor to forward the accompanying Report, and its enclosure, from Lieutenant R. D. Osborn, 2nd Sikh Cavalry, Commanding at Lahar, containing the particulars of an engagement with the Rebels under the leader Dowlut Sing, for the information of the Major-General Commanding the Cawnpore Division.

I have, &c.,  
(Signed) W. P. HAMPTON, *Major,*  
*Commanding at Calpee.*  
(Signed) J. INGLIS, *Major-Genl.,*  
*Comdg. Cawnpore Division.*

FROM LIEUTENANT R. D. OSBORN,  
*2nd Sikh Cavalry,*  
*Commanding at Lahar,*  
TO THE STATION STAFF,  
*Calpee.*

*Lahar, 28th June 1859.*

SIR,

I HAVE the honor to report for the information of the Officer Commanding at Calpee, the following particulars of a skirmish with the Rebels under Dowlut Sing, at the village of Indhoorkhee. Having received

One European Officer.	} 31st L. N. I.	Calpee, the following particulars of a skirmish with the Rebels under Dowlut Sing, at the village of Indhoorkhee.
Two Havildars.		
Three Naicks.		
Sixty-one Sepoys.		
One European Officer.	} 2nd Sikh Cavalry.	Having received intelligence that the Rebels to the number of (500) five hundred were occupying Indhoorkhee, and that in consequence the Dak to Gwalior was closed, I determined to make an attempt to open the road.
One Naib Ressaldar.		
One Jemadar.		
Six Duffadars.		
Forty Sowars.		
One Trumpeter.		

intelligence that the Rebels to the number of (500) five hundred were occupying Indhoorkhee, and that in consequence the Dak to Gwalior was closed, I determined to make an attempt to open the road.

Accordingly I left Lahar, on the morning of the 27th, with Troops as per margin, reaching Indhoorkhee about 8 in the morning.

The enemy on our appearance manned the Fort walls, as if with the intention of making a stand there. They however precipitately abandoned them, as we drew nearer, and fearing lest they should slip altogether out of our hands, I advanced with the Cavalry at a gallop.

The village was deserted, but on entering the ravines a smart fire was opened on us from both flanks, and I observed the enemy in considerable force, occupying the steep sides of the ravines.

The ground being utterly unsuited for Cavalry, I retired out of fire, and the Infantry which had by this time arrived, advanced to the attack under the able guidance of Lieutenant Cook, they drove the enemy from one position to another, pursuing them from the distance of nearly a mile and a half, when finding from the nature of the ground that this ineffectual skirmishing might be interminably continued, and

having achieved the object intended, I returned to Indhoorkhee and from thence marched back to Jatepora.

We had no means of ascertaining the loss sustained by the enemy, but know from reliable information that they have made no attempt to re-occupy Indhoorkhee.

The only Casualties on our side next one Sowar, and one Horse, both slightly wounded.

I have, &c.,

(Signed) R. D. OSBORN, *Lieut.,*  
*2nd Sikh Cavalry,*  
*Commanding at Lahar.*

EXTRACT FROM THE PROCEEDINGS OF THE GOVERNMENT OF INDIA, IN THE FINANCIAL DEPARTMENT, DATED 12TH JULY 1859.

Extract from a Despatch from the Right Hon'ble the Secretary of State for India, No. 45 of 1859, dated the 19th May.

Letter dated 18th January 1859, No. 6. Transmitted, in continuation of Despatch, dated 20th December 1858, No. 30, copy of an Office Memo., requesting further information in regard to privilege leave to Military Officers in Civil employ.

PARA. 7. As stated in paragraph 8 of my

Despatch in this Department, dated the 21st April 1859, No. 33, you had rightly decided that the admission of Military Officers holding Civil appointments, to "the indulgence of three months' cumulative leave after thirty-three months' continuous service," had reference only to the period for which leave might be granted, and not to the allowances of the absence. This rule must be adhered to.

8. The full period of three months' absence may, however, count as service for Pension, but if an extension of leave be applied for by a Military Officer, who has taken privilege leave under the Civil Rules, it must be subject to the Military

Rules in regard to reduction of salary after the first two months' absence.

ORDERED, that a copy of the above paragraphs be forwarded to the Public Works Department, with reference to the order from this Department, No. 255, dated the 18th January last.

H. Lewin, 31st Regiment Native Light Infantry, a young Officer of less than two years standing.

SIR,

31st Regt. N. L. I.	I HAVE the honor to report for the
1 Subadar.	information of the Officer Com-
2 Jemadars.	manding the Regiment that, in
7 Havildars.	consequence of information re-
3 Naicks.	ceived from Mr. Assistant Ma-
1 Bugler.	gistrate Wigram, that a body of
51 Sepoys.	Rebels were in the jungle, North-
<i>Milg. Police Sowars.</i>	East of Jheejun, I marched
1 Ressaldar.	thither at 11 o'clock P. M., on
1 Jemadar.	the night of the 5th with the
9 Duffadars.	Force as per margin. After
38 Troopers.	marching some 8 miles we arrived at the outskirts
	of the thick jungle, in which the Rebels were said to
	be encamped, and I here halted for a short time to
	rest both men and horses.

Learning that the position which was held by the enemy was totally impracticable for Cavalry, and having further ascertained the jungle was more open to the East and West, I despatched the Sowars in two detachments as per margin, one to each flank, with orders to be on the alert, patrolling the edge

of the jungle, and to cut up any fugitives that might attempt to escape in those directions. Proceeding about 5 miles further through jungle of so dense and thorny a nature that it was with great difficulty that we made any way at all, we came upon their advanced picquet and drove it in without loss on either side; pushing on with every possible despatch we surprised their Camp situated on a very rocky and difficult hill, well-known as one of their favourite resorts; after a short stand made at a wall of rocks, about 6 feet in height, which they had raised across the path, they fled precipitately through the jungle in every direction; owing to the early hour at which this took place (*viz.*, about an hour before sunrise) and the notorious denseness of the Jheejhun jungle, I was unable to pursue them as efficiently as I could have wished, but many I believe were shot down and wounded during their flight. My own Casualties were one Sepoy, Mattadeen Doobay, of the 5th Company 31st Regiment Native Light Infantry, killed. The completeness of the surprise may be imagined as more than 100 pairs of shoes, together with bedding of every description, were left scattered over the ground of their late Camp, the paths of the jungle on every side were strewn with clothes and weapons, which they abandoned in their flight. Part of them attempted to escape on the East of the jungle and were attacked by the Ressaldar of the Police, whom I had detached to that point; three of them were killed, and the rest effected their escape back into the jungle, where it was impossible for Cavalry to pursue.

The main body of the Rebels retreated in the direction of Jheejhun, where they ought to have been met by Captain Scott, of the 17th Regiment Madras Native Infantry, with his Detachment; but owing to some mistake as to procuring Guides, I regret to say, that their retreat in that direction was unmolested.

On re-assembling my men on the hill of Kallee Paharee, where the enemy's Camp had been, I saw a small force of about fifty men as well as I could judge, for they were more than a mile off, advancing towards the hill from the North-East; from the regularity of their movements, as well as from the glittering of their fixed bayonets, I supposed them to be the Detachment of the 17th Madras Native Infantry, although coming from a different direction to that in which we expected them; but this morning a letter from Captain Scott states that, owing to the reasons stated above, he did not move from his original position at Pipera. I can therefore only conjecture that it was the party of Rebel Sepoys who are said to accompany Desput in all his wanderings. I consider that the effect produced on the Rebels by this affair will be most beneficial as showing them that the densest jungle and most favorable position afford them but little more shelter than the open plain.

Their numbers, I am informed, were from 4 to 500 men, and it is supposed under the Command of Desput himself, as papers directed to him and some bearing his signature, together with one or two articles which were identified as belonging to him, were found in their Camp.

They are said to have carried some wounded with them in their retreat.

My best thanks are due to Mr. P. Wigram, who was to the front during the whole affair and afforded me every assistance.

I have, &c.,

OFFICE OF THE DIRECTOR-GENERAL  
OF THE POST IN INDIA,  
January 1st, 1859.

THE following Conditions are to be observed in sending Book-Packets by Post:—

1st.—The Postage must be pre-paid in full, by means of Postage Stamps affixed outside the Packet on its cover.

2nd.—Every Packet must be sent either without a cover, or in a cover open at the ends or sides, so as to admit of the enclosures being removed for examination.

3rd.—The Packet may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment or vellum (to the exclusion, however, of letters whether sealed or open) and the books or other publications, prints, maps, &c., may be either printed, written or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c. be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books; and in short whatever is necessary for the safe transmission of literary or artistic matter or usually appertains thereto.

4th.—The Packet must not contain any letter, closed or open, or any enclosure sealed or otherwise closed against inspection, nor must there be any letter, or any communication of the nature of a letter, written or printed in any such Packet or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

5th.—No Book-Packet can be received if it exceeds two feet in length, width, or depth.

6th.—Any Packet which shall not be open at the ends or sides, or shall have any letter or any communication of the nature of a letter written or printed in it or upon its cover will be charged with Letter Postage.

7th.—If a Packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosure will be taken out and forwarded to the address on the Packet, charged with full Postage as an unpaid letter

together with an additional Book-rate; that is, with the Postage chargeable on a Book weighing not more than half a lb. the remainder of the Packet, if duly pre-paid with Stamps, will then be forwarded to its address.

8th.—If a Packet be not sufficiently pre-paid with Stamps but nevertheless bear Stamps equal to a single Book-rate, it will be forwarded charged with the deficient Book-Postage together with an additional Book-rate; but any Packet which shall not bear Postage Stamps equal to a single Book-rate will be detained and charged with the Letter Postage.

9th.—No Book-Packet weighing more than three lbs can be sent to or from the East Indies or to New South Wales.

10th.—The Colonial Book-Post extends to those Colonies only which are so marked in the Table of Colonial and Foreign Postage.

11th.—In no case can a Book-Packet be sent to the Colonies (except at the letter rate of Postage,) through a Foreign Country.

SPECIAL Notice is directed to the subjoined Clauses of Rules, the want of attention to which has occasioned the Post Office much inconvenience.

2nd.—A separate instruction will be required for every change of address, and no instruction will be attended to for more than three months after its receipt.

3rd.—Under Section XXIII., of Act XVII. of 1854, Forward Postage will be charged in addition to all other Postage due or paid thereon upon every letter without exception, which may be re-directed in any Post Office. For example, if a letter posted in Calcutta and addressed to Hooghly is, under instructions which may have been received from the addressee, re-directed in the Calcutta Post Office and sent to Barrackpore, Forward Postage will be charged in addition to the Postage which would have been due, had the letter been despatched to Hooghly according to its original address.

4th.—The practice of giving instructions to the Officers of the Post Office to intercept and re-direct letters, not only imposes much labor upon them, but in large Offices seriously retards the delivery and despatch of the Mails. A register of instructions regarding changes of address will be kept in every Post Office, but it must be understood, that it is impossible to guarantee that they shall be attended to, except in the case of letters received for delivery.

THERE is only one delivery of letters at the General Post Office on Sundays, and Banghy Parcels are neither received nor despatched on that day.

LETTERS and Newspapers despatched to and from the United Kingdom by private Vessels are liable to the following rates of Postage which must be pre-paid by Stamps:—

			Rs.	As.	Pie.
Letters not exceeding $\frac{1}{2}$ oz. in weight	...	...	0	4	0
Ditto exceeding $\frac{1}{2}$ oz. but not exceeding 1 oz.	...	...	0	8	0
And so on adding 8 annas for each oz. or fraction thereof which includes Inland Postage.					

Newspapers not exceeding 4 oz. in weight, 1d. or 9 pie must be pre-paid in cash, and no Inland Postage is required upon such papers.

Parcels conveyed by the above opportunity for the United Kingdom are liable to Letter rates of Postage.

### Notice.

THE following Extract of an Order of the Government of India, No. 884, of the 13th July 1855:—  
 'No Public Officer is authorized to send Covers on the Public Service by Post, without payment of Postage, unless he is at the time on active duty and in charge of the Office by virtue of which the privilege is enjoyed. All letters superscribed as 'on the Public Service only' must, even though the Postage thereon be not paid, be received and opened by the Officer to whom they are addressed, but if any such, or partially paid letter so superscribed, and addressed to any Officer except a Secretary to Government be found when opened, to relate to the private affairs of the Sender, the Postage will be debited to him and he will be further liable to be dealt with under Section XLVII., Act No. XVII. of 1854.

His Honor in Council further directs that unpaid or insufficiently paid letters addressed to any such Officer or Department and not superscribed "on the Public Service only" be refused, or if opened that it be at the risk and cost of the opener."

LETTERS arriving at the Presidency Towns, by Mail Steamers will be immediately sorted for delivery according to the address alone, without any reference to instructions which may have been received regarding change of address; such changes will be left to be discovered by the Delivery Officers, and be corrected in the forward and unclaimed Departments of the Office.

Forward Postage will be charged in addition to all other Postage due or paid thereon, upon every letter, without exception, which may be re-directed in the Post Office.

Letters, &c., received by the Steamer will be delivered at the Window of the Post Office only to parties who have registered their names. Applications to the Post Office on the day of the Steamer's arrival to intercept and re-direct letters, &c., cannot be attended to, as they are found not only to increase much labour but seriously retard the delivery and despatch of the Mails.

ALL Banghy Parcels being registered before despatch it is needless to have a Banghy Parcel specially registered by payment of the Fee of 4 annas as no additional precaution can be taken of a specially Registered Parcel which is not taken in the case of every ordinary Banghy Parcel.

UNDER the orders of Government, no fourth delivery of letters by the Post Office is allowed. Mails which are received by Steamers from Suez at so late an hour in the day as not to admit of the letters being taken out for delivery by 6 p. m. are detained till the following morning, but parties who have registered their names under the usual fee, are entitled to receive their letters and Marseilles Newspapers so soon as the Mails are sorted, and which is generally about 2½ hours after receipt of the Mail, at the Post Office.

THE exemption allowed to Officers with the Army from the charge of Forward Postage on re-directed letters has been continued by the Governor-General "until further orders."

*Forward Newspapers.*—Extra or Forward Postage is chargeable on every Newspaper re-directed at the Post Office of original address and forwarded to another Post Office.

MAILS for Akyab, Rangoon, and Moulmein are made up on the 3rd and 19th of each month, for transmission by the Contract Steamers or by Government Vessels, which sail on the morning of the 4th and 20th, unless the Contractors choose to postpone the departure for 48 hours, of which they have the power on making a requisition.

Her Majesty's Supreme Courts of Judicature, the offender if not otherwise punishable shall be liable, upon conviction before one of the said Supreme Courts of Judicature, to the punishment to which by such Act the offender is declared to be liable upon conviction before a Magistrate.

II. If any offence which by any Act of the Governor General in Council heretofore passed is declared to be punishable upon conviction by a Magistrate shall be committed by any person within the local limits of the jurisdiction of any Court of Judicature established by Royal Charter, the offender if not otherwise punishable shall be liable upon conviction before such Court to the punishment to which by such Act the offender is declared to be liable upon conviction before a Magistrate.

Jurisdiction expressly given to Justice of the Peace not to be affected.

III. Nothing in this Act shall extend to any case in which jurisdiction is expressly given to a Justice of the Peace to convict the offender.

IV. Whenever in any Act heretofore passed by the Governor General in Council the word "Magistrate" is declared to include a Justice of the Peace, such Justice of the Peace shall not by virtue of such Act be deemed to have jurisdiction to punish any offence unless the same shall be committed within the local limits of the jurisdiction of any of the Courts of Judicature established by Royal Charter.

Clerk of the Council.

I. The provisions contained in Sections II, III, and IV of this Act (being parts of the said Act of Parliament) are declared applicable to the carriage of Passengers upon the following voyages :—

warded to their destination, and of all necessary beddings, provisions, and stores, shall become a debt to Her Majesty and Her successors from the Owner, Charterer, and Master of such ship, and shall be recoverable from them, or from any one or more of them, at the suit and for the use of Her Majesty, in like manner as in the case of other Crown debts ; and a certificate purporting to be under the hand of any such Governor or Consular Officer (as the case may be) stating the total amount of such expenses, shall in any suit or other proceeding for the recovery of such debt be received in evidence without proof of the hand-writing or of the Official character of such Governor or Consular Officer, and shall be deemed sufficient evidence of the amount of such expenses, and that the same were duly incurred. Provided nevertheless that in no case shall any larger sum be recovered on account of such expenses than a sum equal to twice the total amount of passage money received by the Owner, Charterer, or Master of such Passenger ship or any of them, from or on account of the whole number of Passengers who may have embarked in such ship ; which total amount of passage money shall be proved by the defendant if he will have the advantage of this limitation of the debt.

Passengers forwarded by Governor &c., not entitled to compensation. but if any such Passengers are forwarded or conveyed to their intended destination under the provisions of the last preceding Section, they shall not be entitled to the return of their passage money, or to any compensation for loss of passage.

The Governor General in Council hereby notifies, that all titular distinctions appertaining to the House of Delhi, and all honors, dignities and privileges enjoyed by its Members, have ceased for ever.

INDIA OFFICE,  
London, 15th June 1859.

No. 29.

HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Political.

MY LORD,

*PARA. 1.*—The papers noted in the margin relate to the trial, the condemnation and the subsequent banishment of Mahomed Bahadoor Shah, Ex-King of Delhi. They have been considered in Council with all the attention which their importance demands.

2. The Military Commission, appointed for the trial of the Ex-King, assembled at Delhi on the 27th of January 1858, under the Presidentship of Colonel Dawes, of the Bengal Artillery, an Officer of high character and attainments. It was instructed to investigate charges involving traitorous hostility to the British Government, and the murderous sacrifice of European life. But it was precluded from passing sentence, the life of the Ex-King, having, on his surrender to British Authority, been guaranteed.

3. Her Majesty's Government entirely approve of your proceeding in bringing the Ex-King to trial. The investigation partook rather of the character of a Court of Enquiry than of a judicial tribunal. Whilst the Commission was precluded from passing sentence upon the prisoner, it was empowered to extend its enquiries beyond the primary object of ascertaining the guilt or innocence of the accused. It was properly held that the opportunity of obtaining reliable information respecting the origin and progress of the Military rebellion both from the witnesses examined and from the documentary evidence produced at the trial, ought not to be neglected; and that therefore the Court should be restrained by no legal formalities, from taking evidence upon any point, the elucidation of which might be advantageous to the public interests. The investigation was, therefore, as much of a political as of a judicial nature, and the information elicited was as varied, as it was interesting and important.

4. On the 9th of March 1858, after an elaborate address from the Deputy Judge Advocate-General (Major Harriott) who conducted the prosecution with much ability, the Court brought its proceedings to a close. It found the prisoner guilty "of all and every part of the charges preferred against him" that is—

"1st.—For that he, being a pensioner of the British Government in India did, at Delhi, at various times "between the 10th of May and 1st of October 1857, "encourage, aid, and abet Muhammad Bakht Khan, "Subadar of the Regiment of Artillery, and divers "others, Native Commissioned Officers and Soldiers "unknown, of the East India Company's Army in the "crimes of mutiny and rebellion against the State.

"2nd.—For having at Delhi, at various times between the 10th of May and 1st of October 1857 encouraged, aided and abetted Mirza Moghal, his own son, a subject of the British Government in India, "and others unknown, inhabitants of Delhi, and of "the North-West Provinces of India, also subjects of "the said British Government to rebel and wage war "against the State.

"3rd.—For that he, being a subject of the British Government in India, and not regarding the duty of "his allegiance, did at Delhi on the 11th May 1857, or "thereabouts, as a false traitor, against the State, "proclaim and declare himself the reigning King and "Sovereign of India, and did then and there traitorously seize and take unlawful possession of the City "of Delhi, and did moreover at various times between "the 10th of May and 1st of October 1857, as "such false traitor aforesaid treasonably conspire, consult and agree with Mirza Moghal his own son, and "with Muhammad Bakht Khan, Subadar of the Regiment of Artillery, and divers other false traitors "unknown, to raise, levy and make insurrection, rebellion and war against the State, and further to fulfil "and perfect his treasonable design of overthrowing "and destroying the British Government in India did "assemble armed forces at Delhi and send them forth "to fight and wage war against the said British Government.

"4th.—For that he, at Delhi on the 16th of May 1857, or thereabouts, did within the precincts of the "palace at Delhi, feloniously cause, and become accessory to the murder of 49 persons chiefly women and "children of European and mixed European descent;

"and did moreover between the 10th of May and 1st of October 1857, encourage and abet divers Soldiers and others in murdering European Officers, and other English subjects, including women and children, both by giving and promising such murderers service, advancement, and distinctions; and further that he issued orders to different Native Rukhs having local authority in India, to slay and murder Christians and English people, whenever and wherever found on their territories; the whole or any part of such conduct being an heinous offence under Act XVI. of 1857 of the Legislative Council in India."

5. Her Majesty's Government are satisfied that the finding is entirely borne out by the evidence brought before the Court that the prisoners' only claim to consideration is the guarantee upon which he surrendered; and that the clemency of the British Government and the imperative demands of justice are sufficiently asserted by the punishment you have awarded, namely, banishment beyond Seas.

6. The mild and equable climate of Pegu having been pronounced by a Medical Committee likely to be favorable to the health of the aged prisoner, you have caused him to be conveyed, with his wife Zeermut Mehal, and his two sons, Juwan Bukht and Abbas Meerza to that Province, with the intention ultimately of fixing his residence at Tounghoo, where on account of the isolated position of the place, "far removed from the usual line of travellers and traffic" the prisoners may be allowed "some relaxation of the restraint which it will be necessary to impose upon them in the populous City of Rangoon." This decision is approved as well as the measures your clemency led you to adopt for the reasonable comfort and safe custody of the prisoner and for the convenience of the members of his family who share his captivity.

7. With respect to other Members of the family of the Ex-King of Delhi, I should be glad to receive from you an early report of the conduct and character of those who have survived the recent convulsions. There may be among the male members some, who were not implicated in the rebellion against the British Government, and to whom therefore your clemency may be extended in the shape of some provision for their remaining years, whilst the Female Members of the Delhi Family are, for the most part, objects of compassion. Whilst it is the desire of Her Majesty's Government that all titular distinctions

appertaining to the House of Delhi and all privileges enjoyed by its Members should cease for ever, they are not unwilling that a suitable provision for life should be made for any Members of the Family of Mahomed Behaudur Shah, who are clearly proved to be guiltless of any complicity in offences committed during the rebellion.

I have, &c.,  
(Signed) STANLEY.
